

EDITORIAL

Options Décoration,
creator and producer
of events.

Options Décoration is leaded by a team of passionate people who imagine and create daily ephemeral places and custom-made decors.

Layout and decoration have become essential elements for the coherence and harmony of reception spaces.

For Options Décoration, each reception is unique whatever is the size of your event !

THE DEPARTMENTS PROJECT MANAGERS

Options Décoration's project managers are proactive in choosing the scenography and material according to the budget and objectives of the client. Their competences allow them to be performant in every field. Project managers, budget manager, they are the experts of event techniques.

THE DEPARTMENTS INFOGRAPHICS / SCENOGRAPHY

Options Décoration's Infography and scenography department is in charge of the conception of real atmospheres that will leave a mark on your guests and will provide them with the memory of a creativity that has been able to affect them.

THE DEPARTMENTS INFOGRAPHICS / SCENOGRAPHY

The main objective of Options Décoration's scenographs is to create the atmosphere of an event production: decor, furniture, lights, sound, floral decoration, Arts of the table.

They know how to arrange the space as interior architectures, to help the clients to be projected through the pictures, considering configuration and constraint of the venues such as equipment or furniture.

The challenge sometimes consists of conceptualise and make an event possible in an inappropriate venue.

THE DEPARTMENTS

MAKING WORKSHOP

The Options Décoration's couturiers produce all the fabric preparations needed for covering furniture and decoration elements that are used for any kind of events.

PAINTING WORKSHOP

Whatever are the surfaces or the wished result, Options Décoration has the capacity to adapt the products to the material.

CARPENTRY WORKSHOP

Working in a 2000m² workshop, Options Décoration's carpenters tackle a task to make projects possible. Beyond the simple creation, the team immerses itself in the environment, the architecture and in the culture when it concerns international projects, in order to realise of quality work.

THE DEPARTMENTS

UPHOLSTERY WORKSHOP

All our covers are made in our workshop: room dividers, steles, reception desks, buffets or any other kind of decor. Event's elements could be sheathed or pre-covered before the delivery on the events.

STOCK

Options Décoration's teams have a lot of material available in the warehouse to answer the needs.

LOGISTICS

Orders packers, installers, itinerant decorators, planners and logisticians work every day for the realisation of custom-made decors.

TREES' SETTING UP

The SCNF, the official carrier of the Euros, wished to set up an ephemeral structure on the headquarters campus. Options Décoration was in charge of the conception and realisation, taking in consideration several constraints:

- A big interior modularity, with removable partitions.
- An optimal comfort for the guests, especially where the multimedia access are.
- A beautiful visibility from the offices overhanging the structure.

EPHEMERAL SPACES

CARPET PATH

As the ephemeral spaces creator, Options Décoration is the official provider of the international automobile contest "Chantilly Arts & Elegance Richard Mile" and the "Tour Auto Optic 2000". Podiums, stands, structures and nonstandard decors, Options Décoration contributes to highlighting your events.

STANDS

The creation and conception of stands represent a challenge to satisfy the different requirements in terms of image and message.

The presentation of the brand and its universe, the provision of conviviality and reception spaces or even the flow are the criteria that Options Décoration's is trying hard to combine to create unique atmospheres.
