Options Décoration is led by a team of passionate people who imagine and create daily ephemeral places and custom-made decors.

Layout and decoration have become essential elements for the coherence and harmony of reception spaces.

For Options Décoration, each reception is unique whatever the size of your event!
Options Décoration’s project managers are proactive in choosing the scenography and material according to the budget and objectives of the client. Their competences allow them to be performant in every field. Project managers, budget manager, they are the experts of event techniques.

Options Décoration’s infographic and scenography department is in charge of the conception of real atmospheres that will leave a mark on your guests and will provide them with the memory of a creativity that has been able to affect them.
The main objective of Options Décoration’s scenographs is to create the atmosphere of an event production: decor, furniture, lights, sound, floral decoration, Arts of the table. They know how to arrange the space as interior architectures, to help the clients to be projected through the pictures, considering configuration and constraint of the venues such as equipment or furniture.

The challenge sometimes consists of conceptualize and make an event possible in an inappropriate venue.

We have a wide range of furniture and accessories available in various styles and colours. Our scenographers will incorporate the products into your project in order to offer you a personalised design for your event.
Working in a 2000m² workshop, Options Décoration’s carpenters tackle a task to make projects possible. Beyond the simple creation, the team immerses itself in the environment, the architecture and in the culture when it concerns international projects, in order to realise of quality work.

Whatever are the surfaces or the wished result, Options Décoration has the capacity to adapt the products to the material.

Options Décoration creates podiums, stages, backgrounds made to measure for your conventions and fashion shows.
The creation and conception of stands represent a challenge to satisfy the different requirements in terms of image and message. The presentation of the brand and its universe, the provision of conviviality and reception spaces or even the flow are the criteria that Options Décoration is trying hard to combine to create unique atmospheres.
As a scenographer and conceptor of Art exhibitions, Options Décoration works on the optimal enhancement of Art objects. The lighting, conceived and customised supports, and arrangement of exhibition spaces: all these elements participate to an exceptional scenography.
Options Décoration furnishes your outdoor venues with stretch tents available in various sizes.

Our stretch tents can be installed on all types of surfaces (lawns, terraces, beaches...) and on uneven ground.

Guests will be protected from the sun and all weather conditions.
For your cocktail parties and urban soirees, Options Décoration can install custom-made shade sails to cover terraces and rooftops. The light brings a new perspective to the layout.
